- All training is current
- Pre/Post test updated and distributed to show student growth
- MiPHY in 2023 (9th and 11th grade)
- Communication and Support from Administration continued

2024 HIV/STI's Pre-Post Test High School data

	Pre-test	Post-test	% growth
Dakota	70%	82%	12%

Biggest Accomplishments

The Advisory Board

- Continued to meet regularly and adhere to the laws in Michigan around HIV and Sex Education for Public Schools
- All legally required sectors represented
- Reviewed and stayed on top of all MDE requirements (example: Preparing for Senate Bill 66 implementation)
- Began working on Community Survey that is to go out November 2024

Exciting Things Ahead

- Use Community Survey and MiPHY data to drive material available to teachers and families!
- Align all HIV/Sex Education curriculum content in Schoology.
- New member onboarding that includes an orientation.
- Review and possibly update SEAB application to be in line with other districts across the state.

Thank you!

Chippewa Valley Schools Sex Education and Communicable Disease Education program will strive to provide the most up to date and outcomes-oriented lessons for students to assist them in making the healthiest choices possible for their future.
