At **Chippewa Valley Schools**, we believe that student learning and strong community relationships are essential for success.

- All students will be challenged and supported to reach their full potential.
- All students will learn in a supportive environment that promotes creativity, growth, and individuality.
- All students will receive consistent, comprehensive, research-based instruction.
- All students will attend a school that is warm, welcoming, safe, and conducive to learning.
- All students will benefit from data-driven instructional decisions.
- All students will have access to equitable resources.
- All members of the Chippewa Valley community should feel welcomed, engaged and valued.

Strategic Facility Planning

CVS utilizes a structured planning process to help align the district's educational goals with what facilities and strategic solutions are needed to achieve those objectives. This process addresses both short- and long-term planning to maintain high quality facilities district wide.

CHIPPEWA VALLEY SCHOOLS
STRATEGIC PLAN

Updated 2024

CURRICULUM & INSTRUCTION

Goal 1
Ensure that the core curriculum is standards-aligned and rigorous and provide opportunities for students to be successful through multi-tiered systems of support.

Goal 2
Review, investigate, and implement program options to increase choice and to ensure equity.

Goal 3
Investigate and implement evidence-based teaching practices to increase relevancy and critical thinking.

Goal 4
Implement student engagement strategies to develop communication and collaboration skills.

Professional learning will be provided to support all three strategic goals.

CLIMATE & CULTURE

Goal 1
Create an atmosphere of transparency and open communication for all stakeholders.

Goal 2
Provide a safe and supportive school environment for all students and staff.

Goal 3
Actively work to build relationships within our school community to create a culture of respect and understanding.

Goal 4
Provide a continuum of social, emotional, and behavioral supports for all students.

TECHNOLOGY

Goal 1
Create an environment where students use their district laptop to communicate, collaborate, and create in ways that enhance their learning and demonstrate knowledge in a variety of ways.

Goal 2
Provide staff and students with ongoing education on positive digital citizenship and cyber safety.

Goal 3
Provide systematic training and exceptional support to enhance instruction and ensure success.

Goal 4
Utilize technology to educate, engage, and inform our community. Provide families with support to use district technology tools to support their child's education.
