- New Media Center furniture is in! Ms. Paglia is thrilled with her new space and functional set up.
- Small group tables in Upper EL were also purchased (horseshoe shape)
- Both of these expenses were part of a 2019 bond (much delayed due to COVID)
- New scoreboard in the gymnasium. Mr. Trzasko secured a grant to be able to do this for the gym. We never had one and we are one of the only elementary schools to have one.
- Holiday Hoopla was a lot of fun! Mr. K got pied by many students!
- Winter benchmarking in FastBridge is underway (ELA + words per minute and accuracy), to help with MTSS leveling. Hoping to wrap up by end of this week to action the data.
